

# Dance Sock Size Chart

We find the socks stretch to cross over a broad range of sizes. Below is a recommendation. We have more sizes coming soon! The socks are designed to be slipped over dance shoes (to save time in lessons) or can be worn alone.

| Sock                                    | Colour  | Details   | Available Sizes   Sole of sock measurements   |
